

U.S. Department of Energy Draft Repository SEIS,  
Draft Nevada Rail Corridor SEIS and Draft Rail  
Alignment EIS

## HEARING COMMENT SHEET

Name: McInnis Family

RRR000249

COMMENTS:

- 1 [ I emailed a note on the farm and easement issues we have. Our farm is a vital area of the Upland Yard. We would like to be contacted about buying, leasing our easement, we own the easement, Dad (Bill) sued the Rail Road and got it a few years ago. Our farm is 160 acres and could be influential to the "Go" on the Upland Yard, we also own water rights on our farm. So could you please contact us to work on these issues. Please mail any info to 6520 N. Tenaya Way Las Vegas, NV - 89130. Phone number → May McInnis 702-499-2697 or Bill Joe (son) 702-321-4004. Dad is hard to communicate over phone, hearing issues. ]

Please feel free to attach additional pages (if mailing, more postage may be needed.)

☒ If you want to receive information about the Draft Repository SEIS, the Draft Nevada Rail Corridor SEIS or the Draft Rail Alignment Environmental Impact Statement by mail, please check here and provide the following information.

met w/us earlier  
this year.

Please note: Your comment(s) must be received by the Department of Energy by January 10, 2008 to be considered. Comments received after the close of the comment period will be considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so the address and postage-paid notice are visible, then secure with tape.
